

Thank you for your interest in the post of RESEARCH MANAGER (MATERNITY COVER).

The Audience Business is the arts marketing and audience development agency for Edinburgh. We work with arts and cultural organisations, including over 30 subscribing organisations, to grow the market and maximise participation by the broadest possible range of people, for the mutual benefit and enjoyment of local communities, visitors and individual organisations. Our primary aim is to promote participation by driving audience development in ways that no single organisation could do for itself.

We are keen to hear from a wide range of applicants who have the skills and experience we need across all, or part of, the job description - whilst welcoming applications from suitably experienced individuals, we'd also consider job share / freelance / specialist / collective applications to ensure that the distinct strands of the job are all delivered over the working week.

If you'd like an informal conversation about the role, and how your skills match all or part of it, please get in touch with our CEO, Ros Lamont on 0131 6565970 or email [ros@tab.org.uk](mailto:ros@tab.org.uk).

The post will be for an initial 6 month contract from March 2010 with a salary of c. £25,000 pa. pro rata.
